Thank you for contacting us regarding your upcoming party. No matter what the taste of your party group, bowling parties at Eastview Bowl are second to none and always fun. We offer 5 Pin Bowling (24 lanes) and 10 Pin Bowling (8 lanes), and a catering staff that makes us proud everytime. Various novelty games also exist to add to your function. Our computerized scoring system makes it easy for everyone, and best of all we will take care of the details.

Many groups are opting for Glow Bowl as a party alternative. With glowing black lights and special effect lighting, we turn the bowling center into a pulsating nightclub atmosphere. Glow Bowl is available Tuesday at 9 pm, Friday at 11:45 pm and Saturday at 9 pm. We also offer special afternoon Glow Bowl times on Saturdays from 4:00 pm to 6:30 pm and Sundays from 1 pm to 3:30 pm.

Group rates for bowling are \$14.00 per person for 2 ½ hours (includes shoe rental and taxes). Two time periods are offered: 6:30 pm to 9:00 pm or 9:00 pm to 11:30 pm. A minimum deposit of \$10 per lane is required to hold a reservation, to be paid within one week of booking. We require a guarantee of numbers seven days prior to your event date. We offer 10% allowance.

We also offer a variety of catering options I am sure you will enjoy. Our catering staff prepares excellent food whether you are looking for a few appetizers or an entire buffet. The pizza made by our Gallery Restaurant is very popular and definitely among the best in the city.

If you have any further questions of if we can help you in any way, please call us at 373-4333 or send an e-mail. We will send you a confirmation by fax or e-mail.

We look forward to meeting your group.

Sincerely,

Shirley Bird

With 2 ½ hours of bowling, there is a couple of different games you might like to try. We find many groups like to start with a regular game, then loosen up the staff with a novelty game, and then finish the last of their energy with a high paced bingo game.

Hunter's Novelty Bowling

- 1st Frame: Bowl using the opposite hand than you usually use.
- 2nd Frame: Stand still and throw the ball between your legs with two hands.
- 3rd Frame: Bowl with your eyes closed.
- 4th Frame: Take only one step before throwing the ball (harder than you think).
- 5th Frame: REGULAR BOWLING (perhaps your only chance to get some points)
- 6th Frame: Bowl standing on one leg only
- 7th Frame: Bowl on your hands and knees.
- 8th Frame: Take only two steps before throwing (it's still hard)
- 9th Frame: Throw the ball backwards between your legs.
- 10th Frame: Bowl in pairs holding hands.

BINGO BOWLING

A bingo card is filled with different pin counts such as strike, 13, 10 etc.
 Your team take turns, trying to blackout the bingo card before any of the other teams.
 This game is scored automatically by the computer.

2	Spare	15	10	12
13	4	3	Strike	11
4	5	FREE	Head Pin	Spare
Spare	8	Strike	15	3
13	12	5	Strike	7

To make sure everything is ready to go, please send us a list of teams ahead of time. We can make any last minutes changes that evening. Fax to 955-3565 or e-mail to customerservice@eastviewbowl.ca
